

RIM•EDV

Electronic Document Vault

85% of your new drawings
can be generated from
files existing in your CAD
system . . .

If you can find
them !

IF YOU HAVE ENCOUNTERED ANY OF THESE

- Where is the drawing?
- Who made the most recent revision to the drawing?
- Can we control drawing access?
- What happens to all of our drawings when we upgrade the system?
- Can we retain drawing information but store the drawing file offline?

*Let RIM•EDV handle
the management of
your CAD drawings
and associated
documents!*

Find out why RIM•EDV is
no longer a secret!
